**City Staff Updates – None**

- 5. Citizens Comments (on agenda items) – (limited to 3 minutes) –**  
**Manfred Fritsche** – said he wanted to address Action Item 16, the budget. He said the two most important reports that the Council will review is the budget and the audit. He said at the last budget hearing, the City Manager said it was a public hearing and he could not answer any questions. He said he wanted to raise two issues. He said it is required that the budget be published in a newspaper of general circulation. He said he believes most people do not know what is in the budget. He said the second item was in the City Manager's budget message. He said on the third page it addresses the airport. He said the City Manager said the city had accumulated \$80,000 in the airport fund to use at the airport. Mr. Fritsche

said this should not be an off the books slush fund which he suspects this is. He said apparently there is \$260,000 coming from magic.

**6. Public Hearings –**

- A. Public Hearing to obtain citizens views and comments concerning Ordinance 2015-07-01, an Ordinance amending Ordinance 2014-08-01, setting the Rules and Procedures for the City Council Meetings. (N. Antrim and R. Stephens) – Dale Christopherson said the last copy of this ordinance looked great and thanked the council.**
- B. Public Hearing to obtain citizens views and comments concerning Ordinance 2015-08-01, amending the Code of Ordinances “Division 2, Planning and Zoning Commission”, Section 2-201, Created: Membership; terms and Section 2-202 Chairperson, Vice-Chairperson; majority and Appendix C (Zoning) Section 7 Administration and Ordinance #2012-03-01 by allowing the City Council to appoint an additional two (2) voting members to the Planning and Zoning Commission, creating a seven member board to administer the zoning regulations and make the necessary recommendations as they deem necessary. (E. Zimmer, CM) – City Manager said this was the second reading of this Ordinance.**

**7. Consent Agenda – (Minutes, Financial reports, Department written reports, board appointments, etc.) – (Notice to the Public – The following items are of a routine and administrative nature. The Council has been furnished with background and support material on each item, and/or it has been discussed at a previous meeting. All items will be acted upon by one vote without being discussed separately unless requested by a Council Member, in which event the item or items will immediately be withdrawn for individual consideration in its normal sequence after the items not requiring separate discussion have been acted upon. The remaining items will be adopted by one vote.) –**

- A. Approve accounts payable. (E. Zimmer, CM) –**
- B. Approve Minutes of July 21st Regular Meeting (A. Rangra, Mayor) –**
- C. Discuss and Consider approving Board and Commission Appointments – (E. Zimmer, CM)**
- 1. Dr. Patricia Harveson, Ward 5, Environ. Board (Stephens)**
  - 2. Glenn Criddle, Ward 3, Bldg. & Standards Comm. (Fitzgerald)**
  - 3. Clayton Shoot, Alt. #1, Bldg & Standards Comm. (E. Zimmer, CM)**
  - 4. David Busey, Alt. #2, Bldg & Standards Comm. (E. Zimmer, CM)**

**Motion was made by Councilor Fitzgerald, by Resolution 2015-09-01, to approve the Consent Agenda in its entirety, which includes the accounts**

payable, the minutes and board appointments. Motion was seconded by Councilor Antrim. Motion passed 4-0.

**8. Information or Discussion items – (Citizens are allowed to comment – limited to 3 minutes – after being called upon by Mayor.) –**

**A. HOT applications – Discussion related to process of vetting applications for HOT Funds, FY 2015-16 and recommendation timeline back to City Council. (E. Zimmer, CM)**- The City Manager said he wanted to brief everyone on our process to gather information. He said we have folks who are submitting applications. We are targeting the September 15<sup>th</sup> meeting for the Council. He said after we approved the budget last year, all the recipients came in for a workshop to see how we co-advertise. He said everyone has elevated their game. He said he hopes to be able to present some good ideas to the Council. He said we lost a couple of events, Big Bend Balloon Bash and some events that were produced by the old Ramada. He said we will also fund the Civic Center rehabilitation this year. He said we have a couple of early year events that we want to make sure get funded. He said we certainly appreciate the people who are putting on the events. Councilor Gonzales asked if we had funds left over from last year. City Manager Zimmer said we would have some excess with the funds from last year. Councilor Fitzgerald asked if there were any new events out there? He said some of the older have been getting funds from us for the past 20 years. He said we need to encourage new events. City Manager Zimmer said Drive Big Bend will be a new event. He said they are thinking about moving the date to Memorial Day weekend. He said SRSU has been bringing in more people for the sports. He said they have been doing some tailgating at the football games. He said Megan, our finance director, is organizing a fly in for an afternoon football game at Sul Ross. He said an event like that takes a lot of work.

**B. Update from Councilor Gonzales and progress with initiatives related to working with Brewster County. (R. Stephens)** - Councilor Stephens said he wanted to give Julian an opportunity to give an update. Councilor Gonzales said the County appointed Mike (Coach) Pallanez to meet with him. He said they met and had several topics that they talked about. He said they are trying to figure out an inter-local agreement so they can work together. He said they decided to meet once a month. He said they would be sharing emergency management information and what is needed there. He said they would talk about street supplies and labor, needing ambulance service, fire protection, police and leasing a crusher for a month or so for streets purposes. He said Frenchie has a rancher who is willing to donate the rock. He said if the City combined with the County, we could get the material for a whole lot less. He said this is still in the works. He said yesterday he heard about FEMA and that the

County and City would like to get together. He said he heard Councilor Stephens mention the tourism bureau and he said they would talk about that also. He said he thinks this will work out. He said Mike Pallanez is a good guy. Councilor Gonzales said he would bring all items to the City Council to discuss them. Councilor Stephens asked if this could be put on the agenda every month. Councilor Gonzales said it would be better to put it on the second meeting of every month. Councilor Salas said they usually meet with the Ambulance committee once a month as well. She said this is the hospital district, hospital, city, County Judge and Commissioner. Councilor Gonzales said if they will tell him when they meet he could go to the meeting. Councilor Salas said she would ask the Judge who could attend the meeting. Councilor Gonzales said we are on the right path for cooperation between the city and the county. Councilor Gonzales said Coach Pallanez said most citizens in Alpine are taxpayers for the county too. He said we have a right to work together and solve some of our problems. Dale Christopherson said he wanted to give praise for this. He said the law does limit what a county can do within a municipality but please go ahead. Angie Bermudez said she would like to suggest if Erik could get Judge Cano to authorize Councilor Gonzales to be able to attend the meetings.

Action Items to be accompanied by a brief statement of facts, including where funds are coming from, if applicable. (Action items limited to (up to) 10 per meeting.) (Citizens are allowed to comment—limited to 3 minutes – after being called upon by Mayor)

9. Discuss and Consider adopting the Brewster County Multi-Jurisdictional hazard Mitigation Plan, which includes the City of Alpine, The purpose of the plan is to identify the potential hazards that may pose a danger to people and property within the community. The plan identifies potential mitigation actions that can be implemented in order to reduce risk within the area. By having the plan and should a disaster occur in Texas, Mitigation Action Funds are made available for jurisdictions to apply for. If the City of Alpine has a disaster and is declared a “Presidential Disaster”, the Couty can access FEMA dollars. (E. Zimmer, CM) - Mayor Pro Tem Stephens said the city is part of this. City Manager Zimmer said if we had a disaster this would give us a chance to obtain benefits. He said the committee has provided a lot of opportunities locally as to how we handle our emergencies. He said we are looking deeper with our environmental committee as to how we handle drought contingency. Motion was made by Councilor Fitzgerald, by Resolution 2015-09-02 to adopt the Brewster County Multi-Jurisdictional hazard Mitigation Plan, which includes the City of Alpine. Motion was seconded by Councilor Gonzales. Councilor Antrim asked about the reverse 911. City Manager Zimmer talked about the 911 system. Councilor Salas said we also have sirens that blow. Councilor Fitzgerald said he signed up for the alerts and thinks it is very worthwhile.

Katherine Crumpton said Code Red is for land lines and already has the county residents in the data base. She said the Nixel is for cell phones. Motion carried 4-0.

10. Discuss and Consider approving repairs and authorize execution of contract by the City Manager for the beacon at the Airport. The cost of the repair is over \$25,000. Insurance will cover the majority of the cost and the airport fund will have to cover the rest of the cost. (E. Zimmer, CM) – City Manager Zimmer said in the packets the invoice was provided. He said we can apply the RAMP Grant to this and the total outlay from the City will be about \$5,000. Motion was made by Councilor Salas, by Resolution 2015-09 - 03, to approve the repairs and authorize execution of a contract by the City Manager for the beacon at the Airport. Motion was seconded by Councilor Antrim. Motion carried 4-0.
11. Discuss and Consider approving the second and final reading of Ordinance 2015-07-01, amending Ordinance 2014-08-01 and setting the Rules and Procedures for the City Council meetings. (N. Antrim and R. Stephens) – Motion was made by Councilor Salas, by Resolution 2015-09-04, to approve the second and final reading of Ordinance 2015-07-01, amending Ordinance 2014-08-01 and setting the Rules and Procedures for the City Council meetings. Motion was seconded by Councilor Fitzgerald. Motion carried 5-0.
12. Discuss and Consider approving the second and final reading of Ordinance 2015-08-01, amending the Code of Ordinances, “Division 2, Planning and Zoning Commission”, Section 2-201, Created: Membership; Terms and Section 2-202, Chairperson, Vice-Chairperson, majority and appendix C (Zoning) Section 7 administration and Ordinance 2012-03-01 by allowing the City Council to appoint an additional two (2) voting members to the Planning and Zoning Commission, creating a seven member board to administer the zoning regulations and make the necessary recommendations as they deem necessary. (E. Zimmer, CM) – Motion was made by Councilor Salas, by Resolution 2015-09-05, to approve the second and final reading of Ordinance 2015-08-01, amending the Code of Ordinances , “Division 2, Planning and Zoning Commission”. Motion was seconded by Councilor Fitzgerald. Councilor Gonzales asked about who would appoint the two additional members. Manfred Fritsche asked what the status was for the Board of Adjustment. Mayor Pro Tem Stephens said that was not on the agenda but he would be glad to talk to Mr. Fritsche after the meeting about it. Motion carried 5-0.
13. Discuss and Consider the first reading of a proposed change or amendment to the City of Alpine Code of Ordinances, Chapter 2 Administration, Current Section 2-91. Ordinance 2015-09-01 – The City Manager shall receive such compensation as the City Council establishes

**as part of an employment contract between the City and the City Manager. The City Council will approve the initial contract by Resolution. Any changes in the actual amount of compensation will be approved by the City Council by Resolution. (R. Stephens) - Mayor Pro Tem Stephens said when he went back and did the research, which was on record since 1978, and looked at the actions the council has taken. He said we have never done it by Ordinance but have always done it by Resolution and contract. He proposed a change to the Ordinance stating it would be done by Resolution and contract. Mayor Pro Tem Stephens said this is the first reading. Motion was made by Councilor Salas, by Resolution 2015-09-06 to approve the first reading of a proposed change or amendment to the City of Alpine Code of Ordinances, Chapter 2 Administration, Current Section 2-91. Motion was seconded by Councilor Fitzgerald. Manfred Fritsche said we were changing the Ordinance to a Resolution. He said an Ordinance calls for a public hearing where the public might have some views on this. He said he thinks we should stay with the Ordinance and let the public weigh in if they want to. Motion carried 4-1, with Councilor Gonzales voting against.**

- 14. Discuss and Consider approving the first reading of Ordinance 2015-09-02, closing and abandoning a partial part of the street, the West 26.56 feet of Garnett Street which adjoins Lot 4, Block 62 of the Hancock Addition. Wayne and Mary Sheehan have agreed to pay the City of Alpine the appraised Value of \$3,689.00 in order to obtain this property from the City of Alpine. (E. Zimmer, CM) - City Manager Zimmer said the adjacent property owner is the City of Alpine. He said normally we would talk to all the adjacent property owners, which in this case is Mr. Sheehan and the City. He said if both property owners agree, the person petitioning for it would provide a survey, which the Sheehan's provided. He said then we look at creating the appraisal. He said last year when we were going through the process of looking at and closing some streets to sell to individual property owners, Barbara Quirk had provided the staff with the process to go about doing that. He said we followed the procedures. He said in a nutshell, we get a petition from a property owner that says they would like to close a street or a portion of the street. He said the Sheehan property abuts to a creek so the adjacent property owner is the City of Alpine. He said once the person makes that declaration the City talks to all adjacent property owners. He said in the Council's packet is the survey created by Mr. Walker, and then the appraisal done by Mr. Hopper. He said as part of our strategy by the City over the last year and one half, we have been selling off some of our City assets or City land that we are no longer using. He said that fits in line with that strategy. He said at some point Mr. Sheehan had put in a driveway that was functional for that property and extended into the City land. He said he also wanted to say that Johnny Carpenter has been very helpful with both of these properties. He said the end result is that the appraised value is \$3,689.00. He said the first reading**

of the Ordinance would allow us to begin the process to abandon the land and sell it. He said in the next meeting we would follow up with a public hearing and the second reading of the Ordinance. He said this sale would not impact the city streets or create any utility issues. Councilor Stephens asked if items 14 and 15 were somehow tied together. Mayor Pro Tem Zimmer said they were adjacent to each other. Councilor Gonzales wanted to know where the money for this went. City Manager Zimmer said this money would come back into the General Fund initially and would be no different than the auction dollars. He said Megan and he would present it to council, similarly as they did with the land auction. He said we would like to allocate them towards the rehabilitation fund for the airport. Motion was made by Councilor Fitzgerald, by Resolution 2015-09-07, to approve the first reading of Ordinance 2015-09-02, closing and abandoning a partial part of the street, the West 26.56 feet of Garnett Street which adjoins Lot 4, Block 62 of the Hancock Addition. Motion was seconded by Councilor Salas. Motion carried 5-0.

15. Discuss and Consider approving the first reading of Ordinance 2015-09-03, closing and abandoning 14.4 feet x 60.46 feet x 14.4 feet x 60.51 feet (871.38 square feet), Block 62, Hancock Addition B (505 E. Sul Ross Ave.) The value of this property is \$871.00. Owners of adjoining property are Hatem and Mindi Merhi who will purchase the property. (E. Zimmer, CM) – City Manager Zimmer said the two properties are back to back, in item 14 and item 15. He said the Merhi's would like to have the whole tree on their property and they would like to trim the tree. Motion was made by Councilor Antrim, by Resolution 2015-09-08, to approve the first reading of Ordinance 2015-09-03, closing and abandoning 14.4 feet x 60.46 feet x 14.4 feet x 60.51 feet (871.38 square feet, more or less), Block 62, Hancock Addition B (505 E. Sul Ross Ave.). Motion was seconded by Councilor Salas. Motion carried 5-0.
  
16. Discuss and Consider Adopting FY 2015/2016 City of Alpine Budget and adopting Ordinance 2015-09-04, an Ordinance making appropriations for the support of the City of Alpine, Texas for the fiscal year beginning October 1, 2015 and ending September 30, 2016; appropriating money to a sinking fund to pay interest and Principal on the city's indebtedness; adopting the annual budget of the City of Alpine, Texas for the year 2015/2016 fiscal year. (E. Zimmer, CM) – City Manager Zimmer said we anticipated having the tax rate hearing last week but we had to postpone that. He said we still are progressing forward with the approval of the budget and the appropriation for our debt payments. He said he wanted to give a quick history of what we have done this year. He said in late May we sent out a questionnaire to the Council asking for input, thoughts, concerns and advice and assimilation of feedback through the course of the year. He said we have been talking about Airport renovations, selling off city assets, and participating with TxDot in rock crushing. He said there

are still some variables we will need to get through. He said we continue to have an open door policy. He said most of the feedback he has had for the budget has been from out in the community. He said we certainly would like to have more dollars in this budget but to do that we would have to increase our tax rate. He said tonight we are looking for confirmation on the budget that has been formed over the last few months. He said if the tax rate did not get approved tonight, we would have to come back and adopt the effective tax rate. He said we would like to approve the tax rate of .5385. Councilor Gonzales asked if we would have a meeting on the tax rate on the 11<sup>th</sup>. He asked if we could put this item on the 15<sup>th</sup> too. City Manager Zimmer said this is a product that the Council is comfortable with. He said if there was contention and discourse we might consider postponing it but since we have not had that we can move forward today. Motion was made by Councilor Salas, by Resolution 2015-09-09 to adopt the FY 2015/2016 City of Alpine Budget and adopting Ordinance 2015-09-04, an Ordinance making appropriations for the support of the City of Alpine, Texas for the fiscal year beginning October 1, 2015 and ending September 30, 2015; appropriating money to a sinking fund to pay interest and Principal on the city's indebtedness; adopting the annual budget of the City of Alpine, Texas for the year 2015/2016 fiscal year. Motion was seconded by Councilor Antrim. Councilor Stephens asked if the budget had been published. The City Manager said we published the tax rate and that was required by law. He said the entire budget was posted on line. Megan said the budget was very accessible to the public this year. Councilor Stephens asked about the Airport Funds to repair the Airport. City Manager Zimmer said we need \$200,000 additional by the end of this fiscal year. He said we have had auctions and asset sales. He said even if we assimilate \$200,000 in the next 18 months he still thinks we need to attack base creation ourselves. He said we could use that for our current projects and also stockpile it for the future. Councilor Stephens said we need to have \$28,000 in the bank account by the time they start working on the taxiway. He said we already have \$80,000 plus sitting in the bank. Councilor Gonzales said we would have to pay for a part of the crusher. The City Manager said that was correct and we would go through the bid process with the County and then bring it back to Council. Councilor Gonzales said we could buy asphalt with the County too and share it. City Manager Zimmer said it is something we might want to contemplate in the future. Manfred Fritsche said he appreciated the explanation of the \$80,000 in the reserve fund. He said the budget is perfectly balanced. He said he wanted to call attention to an item in the City Charter about a property tax levy. He asked a question about the sanitation department. He said he thinks TDS is using the unused capacity in the landfill. He said we do not get a dime of revenue for this. He said he thinks we should get more revenue from the landfill and he does not think we are getting anything now. City Manager Zimmer said we make about \$7,000 a month from the landfill. Gerri Davis asked if there would be bids accepted for the Airport.

Councilor Stephens said that was not on the agenda. Gerri said if the City does accept bids, they will crush their own rock. She suggested that if they do she would not go out and rent a crusher. Barbara said she wanted to make sure that the Council was aware that there needs to be two votes. One ratifying the increased revenue on the budget and the other vote adopting the budget. Mayor Pro Tem Stephens asked for the vote on the budget first. Motion carried 5-0. Councilor Antrim voted aye, Councilor Salas voted aye, Councilor Fitzgerald voted aye, Councilor Gonzales voted aye and Mayor Pro Tem Stephens voted aye. Motion was made by Councilor Antrim, by Resolution 2015-09-10 to approve and ratify the increased revenue on the budget. Motion was seconded by Councilor Salas. Motion carried 5-0. Councilor Antrim voted aye, Councilor Salas voted aye, Councilor Fitzgerald voted aye, Councilor Gonzales voted aye and Mayor Pro Tem Stephens voted aye.

17. Discuss and Consider the approval of 2015-2016 Brewster County Appraisal District Budget. (A. Rangra, Mayor) - Mayor Pro Tem Stephens said the City's portion of the Budget is about \$61,856.48 The Motion was made by Councilor Salas, by Resolution 2015-09-11, to approve the 2015-2016 Brewster County Appraisal District Budget. Motion was seconded by Councilor Gonzales. Motion carried 4-0.
