100 N. 13TH St  
Alpine, Texas 79830  
(432) 837-3301

## LEAD AND COPPER PARTICIPANT SURVEY

The EPA and TCEQ have required all cities to inventory the water lines/ services within their systems. This includes both customer and city owned lines. In order to provide the requested information, we are asking for your assistance by completing this survey and returning to: City Hall, 100 N. 13<sup>th</sup> St, Alpine, TX, 79830 or email to [billing.customerservice@cityofalpine.com](mailto:billing.customerservice@cityofalpine.com)

Customer Name	
Physical Address	
Mailing Address	
Telephone Number	Year of Plumbing at main consumption tap (typically, the kitchen sink; if unknown, write UNKNOWN)

Is a permanent water filter installed in your home? \_\_\_ YES \_\_\_ NO

Is a water softener installed in your home? \_\_\_ YES \_\_\_ NO

What type of plumbing materials are used withing the home? Plumbing material can be verified by viewing the lines connecting to your water heater and faucets. Check all that apply:

- Lead (dull, dark gray, similar to pencil lead. Easily scratched with hard object, shiny when scratched)
- Copper (copper color, green tarnish)
- Galvanized Iron/ Steel (Black, some reddish-brown rust, hard to scratch)
- Plastic
- Unknown

**Please return by May 31<sup>st</sup>, 2024 or complete online at [www.cityofalpine.com](http://www.cityofalpine.com)**

If you have completed the survey last year, please disregard.

Thank you for your assistance,

Carmen Rodriguez  
Customer Service Clerk III
